Shirlock Foundation Sara Keene Memorial Scholarship Application

The Shirlock Foundation is proud to offer the Sara Keene Memorial Scholarship to support college students battling cancer. Named in honor of two Georgia Tech students that bravely fought but ultimately lost their battles with leukemia while also working towards their collegiate degrees; Jonathan Shirlock and Sara Keene. The Shirlock Foundation Sara Keene Memorial Scholarship aids students and their families in covering the everyday expenses that accumulate as a result of a cancer diagnosis and treatment. This can include medical bills, travel costs, food and lodging etc. The goal of the Foundation and this scholarship is to help these families, so that they can focus their efforts on supporting their loved ones. In order to apply for this scholarship, please fill out the below information. Once you have completed all sections, your application will be submitted for review. We thank you for nominating someone close to you and supporting their fight against cancer. We hope that we can support them and their family during this time.

Sincerely,

Hayley Hollerbach
